Abstracts

Folding cartons is the biggest pack type in hot drinks in the United Arab Emirates, supported by extensive use in black tea, which is the largest hot drinks category. Instant coffee is packed in glass jars, often as premium products, with this being an important coffee category in the United Arab Emirates. However, the slow growth of instant coffee is having an impact on the performance of glass jars. Hot drinks is generally not a very promising industry in the United Arab Emirates as the climat...
