## Abstracts

Generally, growth rates were down in 2021 compared to those seen in 2020, as some of the COVID-19 restrictions were gradually relaxed. However, with further lockdown seen during the course of the year, and at-home consumption still above normal pre-pandemic levels, positive growth was still being seen in most product and pack types in hot drinks packaging in Argentina in 2021. For example, consumption of instant coffee was still increasing in 2021, with plastic pouches seeing strong growth in th...
