Abstracts

Folding cartons is the leading individual pack type in hot drinks in Canada. The volume of folding cartons had been increasing over the review period, and, although sales will decline in 2021 and 2022 following a growth spike in 2020, it will also record a positive CAGR over the forecast period. The folding carton pack type maintains its popularity as it can be customised into multiple styles, provide rigidity and maintain the packaging structure and overall contents. Folding cartons are a cheap...
