## Abstracts

The number of households in the Middle East and Africa region is rising rapidly, unlocking high levels of unmet potential. Rapid urbanisation and improving longevity result in a rising number of singletons and growing demand for apartments. Households are becoming more educated and home ownership is expanding as mortgages become more accessible. Nevertheless, widespread poverty and lack of urban planning lead to proliferation of slums, depriving a large share of urban dwellers...

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.

## Why buy this report

Identify factors driving change now and in the future
