## Abstracts

The supply of speciality ingredients to the international food and drinks market presents varied opportunities and challenges. This report starts with an overview of the global market then assesses key consumer demands and supply issues and looks at the ways in which the ingredients industry is responding to these, using case studies to highlight specific strategies. It also summarises key trends in innovation and identifies future opportunities for ingredients R&D.

Euromonitor International's How Ingredients Suppliers are Responding to Challenges and Opportunities in Speciality Ingredients global briefing offers a comprehensive guide to the Ingredients market at an international level. It highlights the major drivers behind ingredient supply and demand, provides detailed analysis of the individual ingredient categories and the product categories they are used in. It also examines regional prospects, highlighting opportunities and challenges in ingredient usage.
