Abstracts

Instant coffee continues to be the biggest product area in the Turkish hot drinks market, with flexible plastic the dominant pack type in this category. Although aluminium/plastic pouches are seeing strong growth in instant coffee, flexible plastic was still accounting for more than 98% of packaging unit volumes in this category in 2022. Stand-up pouches, this time in the form of plastic pouches, have also been seeing strong growth in tea, in which various flexible packaging types combine to dom...
