## Abstracts

Plant-based dairy, primarily oat-based, remained the most popular category in health and wellness dairy products and alternatives in Sweden in 2022. The category was notably boosted by the pandemic which led to consumers paying more attention to their diet and the ingredients they put into their body. Unlike many other dairy categories, plant-based dairy products and alternatives continued to grow in 2022. This was partly as a result of growth developing from a lower base, but also as consumers...
