## Abstracts

Post-pandemic, discriminating consumers have developed a keen interest in their health, and are intent on adopting healthy eating to enhance their physical and mental wellbeing within the constraints of their family budget. Importantly, the messaging of “protein” and “gut health” has been well-received by consumers. For instance, leading local dairy producer Al Rawabi has been actively campaigning for its Al Rawabi Protein milk (with 28g protein and 50% more calcium), and Marmum Dairy and Nada D...

Euromonitor International's HW Dairy Products and Alternatives in United Arab Emirates report tracks the developments of health-associated product types and the healthy-option positioning of competing brands across different food sectors. It provides the latest retail sales data 2018-2022, allowing you to compare health and wellness categories with each other or in the context of the total market for a sector. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, legislative context or lifestyle influences. Forecasts to 2027 illustrate how the market is set to change.
