Abstracts

The Indian Government is confronting the grave danger that malnourishment poses to the population. In 2018, it launched POSHAN (Prime Minister's Overarching Scheme for Holistic Nutrition) Abhiyaan to address the issue. The target demographics for the programme are children, teenage girls, and pregnant and lactating women. The intention is to bring public, private, and social stakeholders together to tackle the issue of malnourishment. According to data released in November 2021, acquired through...

Euromonitor International's HW Hot Drinks in India report tracks the developments of health-associated product types and the healthy-option positioning of competing brands across different food sectors. It provides the latest retail sales data 2018-2022, allowing you to compare health and wellness categories with each other or in the context of the total market for a sector. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, legislative context or lifestyle influences.
