Abstracts

After the COVID-19 pandemic, not only did consumers in the United Arab Emirates increase their interest in organic tea and coffee, but they were also willing to pay more for such products. Consumers have become more educated, and they know that the whole production process is organic. The trend towards organic was also fuelled by the fact that due to economic instability in many countries, the United Arab Emirates saw an unusual increase in newly arrived expatriates. Amongst them were around 4,0...

Euromonitor International's HW Hot Drinks in United Arab Emirates report tracks the developments of health-associated product types and the healthy-option positioning of competing brands across different food sectors.
