## Abstracts

With rising awareness of healthy food, Polish consumers have been gradually turning towards healthy snacks whenever they can, including on-the-go, for school, work, and picnics. Producers of packaged snacks therefore aim to provide consumers with snacks which are comparatively healthy, while also offering convenience. One example is Veggie Stix by Lorenz, which is a vegetarian snack made of potatoes, produced using high-quality sunflower oil, and also including beetroot, spinach and tomato.

Euromonitor International's HW Snacks in Poland report tracks the developments of health-associated product types and the healthy-option positioning of competing brands across different food sectors. It provides the latest retail sales data 2018-2022, allowing you to compare health and wellness categories with each other or in the context of the total market for a sector. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, legislative context or lifestyle influences. Forecasts to 2027 illustrate how the market is set to change.
