Abstracts

Discounters in Colombia recorded further growth in 2023, with the main players focusing on providing a positive customer experience. Currently 32 hypermarkets have been converted into *Walmart Wow*, which represents 35.4% of the brand's sales. This successful development is based on the philosophy of "customer centricism", which involves constantly listening to customers, addressing their complaints, and identifying opportunities in order to create the best experience for the customer and, by doing...

Euromonitor International's Hypermarkets in Colombia report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
