Abstracts

Despite increased competition from discounters and warehouse clubs, which offer low-cost products appealing to the elevated number of price-sensitive consumers in 2023, hypermarkets in the UK maintained positive sales growth. Amid the cost-of-living crisis, high inflation and low brand loyalty, consumers continued to shop in the largest grocery retail channel in the UK. This was largely driven by the size of stores, which allow retailers to offer a wide range of products accommodating various co...

Euromonitor International's Hypermarkets in United Kingdom report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
