Abstracts

Instant coffee, which is the biggest product area in hot drinks packaging in South Africa, continued to record strong growth in 2022, which can be attributed to the increasing demand for convenience and ease of use. With busy lifestyles and limited time, many consumers prefer the convenience of instant coffee, which can be prepared quickly and easily for on-the-go consumption. This has led to the expansion of the instant coffee category in South Africa, with many players launching new products t...
