Abstracts

Home consumption of ice cream increased substantially in Vietnam during 2020 and 2021 as the strict approach taken to home seclusion and social distancing among the population meant that there were far more opportunities to eat ice cream and frozen desserts in the comfort and safety of their homes. At the same time, restrictions placed on the ability of Vietnamese people to spend time outside of the home reduced opportunities for grab-and-go purchases of impulse ice cream for on-the-go consumpti...
