Abstracts

The company is expected to expand its brands and offer fresh designs of eyewear in the short-term future to compete with the various optical shops vying for consumers in the Philippines. As one of the biggest optical goods store networks, it already has more than 100 stores nationwide accommodating the growing demands of mass consumers.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
