## Abstracts

Coffee continued to see declining sales in 2022, which is expected to continue over the forecast period. Instant coffee has been recording declining sales in recent years, with freshy coffee also slipping into decline in 2022. Even fresh ground coffee pods, which have been registering strong growth in recent years, with another rise in unit volume terms in 2022, are expected to start seeing declining sales from 2024.

Euromonitor International's Hot Drinks Packaging in Poland report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Coffee, Other Hot Drinks, Tea.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
