Abstracts

Since 2018, the competitive landscape of imaging devices among the leaders has remained unchanged, with Canon and Sony as the leading brands of digital cameras and GoPro the most popular brand of digital camcorders. However, in 2023, the environment is witnessing increasing competition. Within digital cameras, FujiFilm has been making considerable investments, including opening flagship stores in strategic locations, such as its recent opening in London's Covent Garden. As a result of its effort...

Euromonitor International's Imaging Devices in United Kingdom report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, distribution or pricing issues. Forecasts illustrate how the market is set to change.
