Abstracts

As Asia Pacific becomes increasingly connected, digital inclusion and accessibility become key in the post-pandemic business environment in the region. The report reviews the impact of the crisis on key factors influencing business developments and strategies in the region: demographics, urbanisation, connectivity and financial inclusion and their evolution long term.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
