## Abstracts

Demand for in-car navigation systems with satellite capabilities is steadily declining due to high prices and the shift to more affordable GPS navigation systems and smartphones. The import restrictions and foreign currency shortages in 2022 led to a shortage of new satellite navigation systems in Egypt. Consequently, almost all in-car navigation systems for sale were used ones in this year. The prevailing economic uncertainties and high inflation in 2023 only put further pressure on this strugg...
