## Abstracts

Inditex affirms its position as one of the top three industry players in apparel and footwear. Its strength in product design, innovation and sustainable practices continues to facilitate organic growth. However, the ramifications of the increased cost of living and consumers' diminished disposable income will limit growth opportunities in certain territories. Continued investment in sustainability and omnichannel retail strategies still prove to be fundamental to Inditex's success.

Euromonitor International's Inditex, Industria de Dise?o Textil SA in Apparel and Footwear (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Apparel and Footwear industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

**Product coverage:** Apparel, Footwear, Sportswear.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
