Abstracts

Inditex, Industria de Diseño Textil SA is focused on developing its network of stores in Poland in 2013. In the coming years, the company's further expansion is expected, primarily in shopping malls in large and medium-sized cities. As a result of active retail space development, the company has a strong second position in the Polish apparel and footwear market and its share is expected to record moderate growth in the forecast period.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Apparel, Footwear, Sportswear.
