Date: September 2017

Pages: 13

Price: US\$ 990.00 (Single User License)

ID: IA1FD4EB661EN

Abstracts

Rising demand for travel created more growth opportunities for intermediaries, resulting in a higher growth rate in 2017 compared with the previous two years. Leading tour providers focused on more unique packages with good prices to attract customers. For example, Triip collaborated with Bhutan Airlines to charter the first direct flight from Ho Chi Minh City to Paro, Bhutan, giving customers who wanted to visit this country a better and more convenient choice.

Euromonitor International's Intermediaries in Vietnam report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2012-2016, allowing you to identify the sectors driving growth.
