## **Abstracts**

Ecuador is part of the new dynamic to make online purchases and electronic commerce is adding more 'e-shoppers' within the Ecuadorian population. There are different reasons why online commerce has grown, but perhaps the main driver is the increasing penetration of the internet. According to the National Institute of Statistics and Census (INEC), 5 out of 10 Ecuadorians access the internet today, with a stronger increasing pace during the last two years of the review period. Social networks also...
