Abstracts

After successfully emerging as a brand-owning manufacturer from an original design manufacturer (ODM) in 2010, the company expects to continue product development. The company is expected to put in more research and development effort, especially in contact lenses with anti-blue light function. The company was chosen as a “World Class 300” company in South Korea in 2016. This is a government-supported research project, planned to be developed over the forecast period. Interojo has attained a goo...
