Abstracts

While jewellery is expected to register triple-digit current value growth, constant value growth is expected to be much more muted. The reason for such high current value growth is that Turkey has one of the highest inflation rates in the world in 2022. Also, unlike most other countries, this soaring inflation had already been triggered prior to the energy crisis arising from the war in Ukraine. The lira's dramatic devaluation has led to the soaring inflation and has been fuelled further by gove...
