Abstracts

John Lewis Partnership Plc registered only minimal growth in profits in 2011/12 due to the costs of the introduction of new outlets and the tough trading conditions engendered by the recession. However, the company is still well-placed and enjoyed a very strong performance over Christmas 2012. John Lewis aims to increase revenue growth throughout the forecast period by further strengthening its online store which is already very profitable compared to other UK department stores, and by...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
