Abstracts

Saudi Arabia's hot climate ensures there remains a healthy demand for juice in the Kingdom. However, the performances of the different juice categories have been varied in 2023 with demand increasingly being shaped by the growing focus on healthy living. As part of its Vision 2030 strategy, Saudi Arabia is focused on encouraging the local population to eat more healthily and to lead more active lifestyles, with the large number of overweight and obese consumers in the Kingdom placing a significa...
