Abstracts

Unit prices have risen in the juice category in Spain in 2023, as a result of both the high level of inflation, and shifting consumer preferences – the latter being connected to the current innovation seen within the category. Inflation reached very high levels during 2022 and 2023, and whilst some brands tried to absorb rising costs as much as possible, many faced no choice but to pass on price rises to consumers. However, whilst the overall high inflation rate reduced in the middle of 2023 to...
