Abstracts

Kemibolaget i Bromma prides itself on its environmental credentials and, consequently, will have a strong environmental focus in home care over the coming years. One example of its environmentally friendly focus is a current project to develop automatic dishwashing detergents that do not contain phosphate and are effective at low temperatures.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
