ID: K5C6432970EEN

## Abstracts

As the leading airline in East and Central Africa as well as highly ranked on the African continent, Kenya Airways has a vision of dominating the wider African market and becoming a major partner to global partners. Kenya Airways has strategically purchased new planes such as Dreamliners and Boeing 777ERs as it eyes the emerging Eastern and South American markets. In anticipation of global economic growth, it has entered into several partnerships with African, Western and Eastern powers.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
