Abstracts

With chicken fast food experiencing increased competition in recent years, KFC Management is likely to focus on driving efforts to boost its market share. It will launch strategies to secure its top position in chicken fast food in Singapore. It is expected to tap into store renovation, online delivery, food technology and new product innovation to continue attracting consumers in a slow economic climate.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
