Abstracts

Kinocare Era Kosmetindo is expected to continue with its strategy of entering new consumer goods categories. The company uniquely positions products without emphasising the need to nurture a certain category with a complete product offering. It is also expected to continue developing its baby care offering in line with this strategy, including products classified under home care, such as baby accessories cleansers.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
