Abstracts

Reflecting the low profit level in the review period, the company will prioritise raising its profit level in the next three years. In order to achieve it, the company will strengthen its business in RTD tea and carbonates. The company will also restructure the supply chain as well as shift to more profit-generating products, such as smaller PET bottles.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
