Abstracts

The usage of kitchen towels is being extended to other areas in the household and the product is fast turning into an all-purpose household paper. In line with this trend, leading companies reorganised their product portfolios and extended their product ranges in 2009. Manufacturers are targeting the growing trend of using kitchen towels in the garage and garden as well as an alternative to paper serviettes and tissues. However, the traditional, washable dishcloth is still very popular in the...
