Abstracts

Laboratorios Andromaco will continue to focus on the development and expansion of its sun care products over the forecast period. Innovation will be key to maintaining its leadership in Argentina in an economic climate that will change due to the end of restrictions on imports. The company will also continue to focus on expanding into other Latin American countries.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
