Abstracts

The Coronavirus (COVID-19) pandemic has radically transformed the economic and consumer landscape of Latin America. For the drinks industry, the closure of the on-trade and measures encouraging more at-home consumption have resulted in the collapse of high-margin categories such as draft beer and fountain soda as well as impulse and small format items. This report will explore the lasting effects of the channel disruption in the region, the new routes to consumers and strategies for growth in im...

Euromonitor International's The Latin American Drinks Market: Raising a Glass to the Post-Pandemic World global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces.
