Abstracts

2011 proved to be a challenging year for leisure travel, in light of the Euro-zone debt crisis and the Arab Spring. Nonetheless, growth remained positive, albeit at a lower level than in 2010, and the outlook is for more positive growth in leisure tourism, driven by key trends in the health and wellness sector, rising disposable incomes in the BRIC markets, and the rising importance of niche sectors like cruising and adventure tourism.

Euromonitor International's Leisure Travel: Overcoming Challenges to Gain Momentum global briefing offers an insight into the size and shape of the Travel and Tourism market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market from innovation, pricing, channel distribution to economic/lifestyle influences. Forecasts illustrate how the market is set to change and outlines the criteria for success.
