## Abstracts

Lidl continues to invest in outlet expansion throughout Ireland, seeking strategic locations and new locations in areas they are already established with better footfall. The company is likely to continue to develop its private label range and promote its special buys. Many of the already established stores are expected to be upgraded as it has done across Europe and increase the size of the selling space of new stores.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Non-Store Retailing, Store-based Retailing.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
