## Abstracts

Lieken is expected to continue with the transformation of the company, which started with the takeover by the Czech agricultural trade group Agrofert in 2013. Not surprisingly, cost-related measures in particular will remain the focus of the company, for example, in the form of closing unprofitable or outdated locations.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
