Abstracts

With the rising cost of living and the increased prices of products, limited-service restaurants continued to raise prices in 2023. In July, Pizza Hut and Domino's Pizza announced price hikes - Pizza Hut by an average of NIS5 per family pie and Domino's by NIS1 per pie. This came after Pizza Hut had raised its delivery fee from NIS10 to NIS12 earlier in the year. The companies claimed that the increase in prices came as a result of the rising cost of raw materials, energy, and wages.

Euromonitor International's Limited-Service Restaurants in Israel report offers a comprehensive guide to the size and shape of the market at a national level. It provides foodservice sales, the number of outlets and the number of transactions by sector, allowing you to identify the foodservice sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they eating habits, lifestyle changes, tourism spending or legislative issues. Forecasts to 2028 illustrate how the market is set to change.

Product coverage: Chained Limited-Service Restaurants, Independent Limited-Service Restaurants, Limited-Service Restaurants by Type.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
