## Abstracts

Lodging in Australia is undergoing a significant transformation, driven primarily by changes in short-term rentals. There has been a notable decrease in listings on short-term rental platforms, and these changes are increasingly evident due to several key factors. Firstly, landlords are now facing more stringent regulations and maintenance requirements to list their properties on short-term rental platforms, adding pressure to this lodging segment. Government bodies, such as the NSW Department o...

Euromonitor International's Lodging (Destination) in Australia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2018-2022, allowing you to identify the sectors driving growth.
