## Abstracts

Hotels have been turning to local consumers due to the lack of inbound arrivals to Hong Kong in their efforts to keep afloat. Following improving revenues in 2021, hotels are expected to see further notable growth momentum in 2022, with current value sales rising by double digits, driven by luxury and upscale hotels due to the staycation trend among local residents. Rapid recovery in occupancy was already observed in 2021 with rising popularity of staycations, a trend that is seeing sustained de...
