Abstracts

A growing health and wellness trend brings with it an increased focus on sleep health. Whilst the bulk of innovation is product-centric, brands are beginning to explore the broader sleep ecosystem. Retail channels are visually merchandising aspects of this ecosystem. Various expansion strategies are being tested out. Players that risk venturing into the ecosystem can be rewarded not only with system wide incremental revenue streams but also a first mover advantage for securing optimum partners.

Euromonitor International's Looking at Sleep Health Beyond the Mattress global briefing offers the big picture view of the size and shape of the Home and Garden market. The report delivers strategic insight into some of the key areas of the market, including emerging regions, countries and categories, as well as pressing industry issues and white spaces. It identifies opportunities, analyses leading companies and brands, and offers analysis of major factors influencing the market. Forecasts illustrate how the market is set to change and criteria for success

Product coverage: Home Improvement and Gardening, Homewares and Home Furnishings.
