Abstracts

Wearable electronics are taking the world by storm and luxury brands are moving quickly to take advantage of the trend. In 2015, collaborations between tech companies and luxury brands proliferated. Tech companies are desperate for wearables to reach the mass market, while luxury brands see the potential for wearables and the growing demand among affluent consumers. Thus, smart accessories found a place in luxury in 2015. Diane von Furstenberg collaborated with Google Glass to launch smart sun...
