## Abstracts

The growth in retail value sales of luxury cigars slowed down in 2013, mainly because the government continuously restricted development through bans on smoking in public places and brand advertising. At the same time, the government invested heavily in highlighting the harmful effects of smoking on television and via leaflets and banners. Euromonitor International's Luxury Cigars in Hong Kong, China report offers a comprehensive guide to the size and shape of the Luxury Cigars market at a national level.
