Abstracts

Having declined by almost two fifths during 2020, luxury foodservice retail current value sales saw no more than a modest rebound in 2021. Luxury foodservice service outlets were forced to close for much of the first half of 2020 and again for a period during the latter part of the year and into early 2021. However, even during the middle of 2020 when they were allowed to operate, many local consumers remained reluctant to visit them due to a combination of the risk of contagion and the economic...
