Abstracts

Retail value sales of luxury goods in Argentina increased by 88% in 2023 in current terms to stand at ARS341 billion. However, should be noted that this stellar growth was almost entirely due to the very high inflation that has been plaguing Argentina in recent years as constant value growth remained in low single figures during the year. With the exchange value of the Argentinean peso continuing to fall against benchmark global currencies over the course of 2023, the prices of imported goods co...
