## Abstracts

Retail value sales of luxury goods in Singapore increased by 11% in 2023 in current terms, to total SGD12.4 billion. Development was still widely defined by recovery and a return to more normal consumer behaviour in terms of working, shopping, travelling, and spending on luxury goods, as those consumers that could afford to, looked to treat themselves following lockdown. During the latter half of the review period, sales experienced a notable boost due to the resurgence of affluent travellers an...
