Abstracts

Luxury hotels were drastically impacted by COVID-19 restrictions in 2020 with the category seeing its value sales decrease by two thirds of the previous year's sales. Luxury hotels are very popular for business travellers in Romania, which led to a significant decrease in guests due to the near total lockdown of the country from March to May 2020 and the ongoing travel bans. The ban on large public gatherings has also stripped away an important income stream for hotels, as many high-income Roman...
